

**U.S.
Air Filtration, Inc.**

Imagine never having
to worry about lead
times or price increases

Get your dust collector parts delivered on schedule and within budget every time.

Subscription Parts Automatic Delivery Program

HOW IT WORKS:

Simply tell us your desired changeout schedule for the next three orders or more and the items and quantity you need shipped. We'll set up an agreement for you to join our automatic parts delivery service. This means we'll manufacture, ship and deliver each of your orders in advance of each changeout without you having to lift a finger.

WHATS INCLUDED

 **No price increases** - We'll lock in your pricing for the life of your contract.

 **No lead times** – We'll take care of sending your parts on a schedule you specify. No more worrying about lead times or expedited shipping costs.

 **Time savings** – You don't have to place a new order for every changeout - we've got your order covered for as long as you need.. No need to call for a new price quote, plan for lead times, or expedite shipping.

 **Flexible scheduling** – We'll accommodate changes to future shipping dates as your dust collection needs change.

Automatic Delivery – You set your own parts delivery schedule upfront and we'll manage all the logistics and details for the life of your contract. Set it and forget it and watch your parts arrive on schedule every time.

Hassle free service – We'll keep you updated on the status of each parts order before, during and after your order ships. You'll know what's been ordered, and when it's expected to be delivered. We'll send you tracking information and follow up after shipment to make sure you've received everything successfully.

Frequently Asked Questions

1. Who can participate?

Customers who changeout their filters at least annually and want to eliminate lead times, save money, and save time.

2. Which parts are included?

All USAF replacement filters and parts are available through our automatic delivery program including filter bags, cages, cartridges, valves, repair kits, and more.

3. Is there a penalty if I decide to cancel my agreement?

No. There is no penalty for cancelling, you are only obligated to pay for any orders that are currently in production at the time of cancellation. All future orders not in production can be cancelled without penalty.

4. Can I change my delivery schedule later if I need to?

Yes, we can change the delivery dates for future orders however you need.

5. How far in advance will my parts be shipped and delivered?

We'll ship your parts to arrive within 3 business days of the delivery date/s you specify.

6. Will you notify me before each order goes into production?

Yes, prior to starting your next order, your account manager will send you notification that your order is ready for production and include the anticipated production and delivery schedule.

7. What happens if I need another order of parts not outlined in my agreement?

We'll send you any other parts as needed and we'll honor the pricing set forth in your agreement for additional orders.

8. Can I extend my agreement for a term longer than 3 shipments if I choose to lock in additional savings?

Yes, we can work with you on the length and terms of your agreement as needed.

9. When will I be billed for my orders?

USAF will invoice you for each order at the time your order ships. You will be responsible to pay each invoice in full prior to USAF releasing subsequent orders.

10. I may need to replace my dust collector in the next year or so, what happens to my agreement then?

If you decide to upgrade to a USAF dust collection system, your subscription agreement will be cancelled with no penalty and applied to replacement parts for your new system.
